Teacher Resources – Lesson Plans

Best Practices of Technology Integration in Michigan <http://www.remc11.k12.mi.us/bstpract/>

This site is sponsored by the Michigan Association of Intermediate School Administrators, the REMC Association of Michigan and the Berrien County Intermediate School district. The lesson plans that you will find here have been written by practicing teachers and have been "kid tested" to work in the classroom.

PBS TeacherSource http://www.pbs.org/teachersource/arts_lit.htm

PBS TeacherSource offers 3000+ free lesson plans and activities centered on PBS materials. Search by grade level and topic

ReadWriteThink <http://www.readwritethink.org/>

ReadWriteThink is a partnership between the [International Reading Association](#) (IRA), the [National Council of Teachers of English](#) (NCTE), and the [MarcoPolo Education Foundation](#). **ReadWriteThink** offers a wide array of standards-based lesson plans that meaningfully integrate Internet content into the teaching and/or learning experience. Lessons can be selected according to grade band (K–2, 3–5, 6–8, 9–12) and area of literacy practice. Each lesson is research-based, and includes a detailed instructional plan. The lessons are written for the teacher but include student-ready materials such as worksheets, interactives, and reviewed Web resources.

S.C.O.R.E. Language Arts <http://www.sdcoe.k12.ca.us/SCORE/cla.html>

Schools of California Online Resources for Education (SCORE) features [CyberGuides](#) which are supplementary, standards-based, web-delivered units of instruction centered on core works of literature. Each CyberGuide contains a student and teacher edition, standards, a task and a process by which it may be completed, teacher-selected web sites and a rubric, based on California Language Arts Content Standards. Also includes links to an [Activity Bank](#), [Phonics Link](#), and [Reading Initiative](#).

TeAch-nology.com <http://www.teach-nology.com/>

TeAch-nology.com offers teachers FREE access to 27,300 lesson plans, 5,900 printable worksheets, over 200,000 reviewed web sites, rubrics, educational games, teaching tips, advice from expert teachers, current education news, teacher downloads, web quests, and teacher tools for creating exciting classroom instruction. Also offers three levels of paid membership with additional features.

The Teacher's Corner <http://www.theteacherscorner.net/>

The Teacher's Corner provides free Primary & Intermediate Teacher Resources including lesson plans, thematic units, a teacher's lounge, and book nooks.

Teacher Resources – Support Tools

4Teachers <http://4teachers.org>

4Teachers.org works to help you integrate technology into your classroom by offering FREE online tools and resources. This site helps teachers locate and create ready-to-use Web lessons, quizzes, rubrics and classroom calendars. There are also tools for student use. Discover valuable professional development resources addressing issues such as equity, ELL, technology planning, and at-risk or special-needs students.

abcteach <http://www.abcteach.com/>

abcteach provides 5000+ free printable pages and worksheets focusing on for Pre-K-6th grade. Requires a paid subscription for full access, but contains numerous free samples.

Adolescent Literacy in the Content Areas <http://knowledgeloom.org/adlit/index.jsp>

This **Knowledge Loom** spotlight presents four key components of a successful adolescent literacy initiative and the best practices related to each, along with examples in action in actual classrooms. Use this resource to support local decision-making and as content for onsite professional development. The content has been prepared by [The Education Alliance at Brown University](#) and [CRM \(Center for Resource Management\)](#), as partners in the [Northeast and Islands Regional Educational Laboratory](#).

AwesomeStories <http://www.awesomestories.com/index2.htm>

AwesomeStories.com uniquely uses the Internet to link its story content to hundreds of thousands of the world's best on-line primary sources. Enjoy an interactive learning experience as you see relevant maps, pictures, artifacts, manuscripts and documents, IN CONTEXT, within each story. Take advantage of human-based searches for a safe, fast and fun way to learn the real story behind historic events, famous people, heroic exploits, legends, disasters, movies, plus topics of current and general interest.

Carol Hurst's Children's Literature Site <http://www.carolhurst.com/index.html>

A collection of reviews of great books for kids, ideas of ways to use them in the classroom and collections of books and activities about particular subjects, curriculum areas, themes and professional topics.

Children's Literature Web Guide <http://www.ucalgary.ca/~dkbrown/index.html>

The **Children's Literature Web Guide** is an attempt to gather together and categorize the growing number of Internet resources related to books for Children and Young Adults. Included are links to book lists, author sites, and resources for teachers, parents, and storytellers.

Children's Picture Book Database <http://www.lib.muohio.edu/pictbks/search/>

Housed at [Miami University Libraries](#) the **Children's Picture Book Database** gives teachers, librarians, parents, and students a place for designing literature-based thematic units for all subjects. The site offers abstracts of over 5000 children's picture books and search capabilities for over 950 keywords, including topics, concepts, and skills which describe each book.

Clearinghouse on Reading, English, and Communication <http://reading.indiana.edu/>

Educational materials, services, and coursework to everyone interested in the language arts. Operated by the [Indiana University School of Education](#), the site includes the public domain materials produced by ERIC/REC, including ERIC Digests and other publications, Web Resources, and online courses.

Florida Literacy and Reading Excellence (FLaRE) Center <http://flare.ucf.edu>

The **Florida Literacy and Reading Excellence** was established in 2000 through a Florida legislative appropriation and has become a literacy center for professional development currently operating as a part of the Just Read, Florida! initiative. FLaRE is part of the Leadership Triangle (along with [Just Read, Florida!](#), [Florida Center for Reading Research](#), and [Reading First-Professional Development](#)) that is charged with the oversight and implementation of Reading First in Florida. The FLaRE Center serves as: a statewide system for providing literacy professional development, an information clearinghouse for literacy research and practice, a development center for educator professional development materials, a linkage for school districts, institutions of higher education, community organizations that have a vested interest in literacy and reading excellence, and a provider of Florida Reading Endorsement in-service to aid Florida's reading teachers in acquiring reading endorsement.

International Reading Association - Web Resources <http://www.reading.org/resources/index.html>

The **International Reading Association (IRA)** is dedicated to providing information, research, and resources that can help all those interested in promoting literacy. The Web Resources area of www.reading.org provides a range of resources in three groupings, freely available to all those with Internet access. [Teaching Tools](#) offers practical, hands-on ideas and materials to help you help learners. [Issues in Literacy](#) is your source for news, views, and policies. [Literacy Community](#) puts you in touch with colleagues, to exchange ideas and information, share your concerns, and celebrate your successes.

Literature Learning Ladders <http://eduscapes.com/ladders/index.html>

Literature Learning Ladders (encouraging active reading through book-technology connections) is part of the [eduScapes](#) website provided by Annette Lamb and Larry Johnson. Features include: Themes and Literature Circles, Collaborative and Interactive Projects, Literature-based WebQuests, Literacy Across the Curriculum for Today and Tomorrow, Newberys & the Net, Caldecott Connections, and Fun with Favorites.

North Central Regional Educational Laboratory (NCREL) - Literacy <http://www.ncrel.org/litweb/index.html>

This website provides professional resources to help teachers build their knowledge base, apply their expertise to help children meet challenges in reading, and keep abreast of developments concerning literacy development.

Poetry Teachers <http://www.poetryteachers.com>

#1 site for poetry resources on the web from how to teach poetry, to poetry theater, and activities.

Promising Practices for Elementary Literacy Instruction <http://knowledgeloom.org/elemlit/index.jsp>

This **Knowledge Loom** spotlight identifies the promising literacy practices of successful elementary school teachers who support the diverse learning needs of their students. Special sections highlight issues pertaining to English language learners, providing examples of good teaching that can apply to all students. The content in the spotlight has been prepared by [The Education Alliance at Brown University](#). It will continue to grow and change as users share their experiences and concerns in support of elementary literacy development.

Reading A-Z <http://www.readinga-z.com/>

Reading A-Z offers a number of resources to help make teaching easier and help children learn to love to read, including printable books and lesson plans to teach guided reading, phonics, phonemic awareness, fluency, and reading comprehension. Requires a paid subscription for full access, but contains numerous free samples.

Reading Online <http://www.readingonline.org/>

Reading Online (ROL) is a peer-reviewed journal of the [International Reading Association](#) (IRA). Since its launch in May 1997 it has become a leading online source of information for the worldwide literacy-education community, with tens of thousands of accesses to the site each month. The journal focuses on literacy practice and research in classrooms serving students aged 5 to 18. “Literacy” is broadly defined to include traditional print literacy, as well as visual literacy, critical literacy, media literacy, digital literacy, and so on. A special mission of the journal is to support professionals as they integrate technology in the classroom, preparing students for a future in which literacy’s meaning will continue to evolve and expand.

Reading Rockets <http://www.readingrockets.org/>

The **Reading Rockets** web site is updated daily with news headlines about reading, research-based articles, video interviews with top children's book authors, tips for parents and educators, lists of national and local resources, and much more.

Storyline Online <http://www.bookpals.net/storyline/index.html>

The [Screen Actors Guild Foundation](#) is proud to bring you **Storyline Online**, an on-line streaming video program featuring SAG members reading childrens books aloud. Hand-picked by [BookPALS](#) National Program Director Ellen Nathan, a former teacher and librarian, each of the books on this site offer an accompanying lesson plan and activity guide.

TEAMS Educational Resources <http://teams.lacoe.edu/>

In 1994, **TEAMS** created one of the first instructional Websites on the World Wide Web, to provide online support to students and teachers for its programs, as well as other K-12 links to assist teachers and students. Today, the website has transitioned into *TEAMS Educational Resources*, a place where teachers, students, administrators and parents can find free links to educational resources that have been researched, reviewed and evaluated by and for educators

TeachingBooks.net <http://www.teachingbooks.net/>

TeachingBooks' mission is to generate enthusiasm for books and reading by bringing authors, illustrators and engaging resources about books for children and teens to every school, library and home. From one easy-to-use website, **TeachingBooks** makes instantly available original, in-studio movies of authors and illustrators, audio excerpts of professional book readings, guides to thousands of titles and a wealth of multimedia resources on children's and young adult literature. Our hope is that by utilizing **TeachingBooks'** multimedia resources, educators will better understand the spirit and personality behind books and discover exciting ways to share these insights with children and teens. (Note: This is a fee service).

Teacher Resources - Book Lists

Caldecott Medal <http://www.ala.org/alsc/caldecott.html>

From the [Association for Library Service to Children \(ALSC\)](#), the **Caldecott Medal** honors the artist of the most distinguished American picture book for children. Includes lists from 1938 to present.

Children's Book Review <http://www.tnpc.com/36books.html>

Book reviews categorized by age groups: Ages 2 to 4, Ages 3 to 8, Ages 6 to 10, Ages 7 and up. The reviewer is Peter Neumeyer, Ph.D., a Professor Emeritus of English and Comparative Literature at San Diego State University.

Children's Notable Lists

<http://www.ala.org/ala/alsc/awardsscholarships/childrensnotable/Default1888.htm>

Each year the [Association for Library Service to Children \(ALSC\)](#) identifies the best of the best in children's books. Includes lists from 1996 to present.

Coretta Scott King Award <http://www.ala.org/csk>

The **Coretta Scott King Award** is presented annually by the [Coretta Scott King Task Force](#) of the [American Library Association's Ethnic Multicultural Information Exchange Round Table \(EMIERT\)](#). Recipients are authors and illustrators of African descent whose distinguished books promote an understanding and appreciation of the "American Dream." Includes winners from 1970 to present.

Newbery Medal <http://www.ala.org/alsc/newbery.html>

From the [Association for Library Service to Children \(ALSC\)](#), the **Newbery Medal** honors the author of the most distinguished contribution to American literature for children. Includes lists from 1922 to present.

Notable Social Studies Trade Books for Young People <http://www.socialstudies.org/resources/notable/>

The books that appear in these annotated book lists were evaluated and selected by a Book Review Committee appointed by [National Council for the Social Studies \(NCSS\)](#) and assembled in cooperation with the [Children's Book Council \(CBC\)](#). Books selected for this bibliography are written primarily for children in grades K-8. Although the current year's list is only available to members, archived lists from previous years are free.

Outstanding Science Trade Books for Students K-12 <http://www.nsta.org/ostbc>

The books that appear in these lists were selected as outstanding children's science trade books. They were selected by a book review panel appointed by the [National Science Teachers Association \(NSTA\)](#) and assembled in cooperation with the [Children's Book Council \(CBC\)](#). Includes lists from 1996 to present.

Young Adult Booklists and Book Awards <http://www.ala.org/yalsa/booklists>

From the [Young Adult Library Services Association](#). Includes: Best Books for Young Adults, Outstanding Books for the College Bound, Popular Paperbacks for Young Adults, Quick Picks for Reluctant Young Adult Readers, Teens Top Ten, and more.

Student Resources

Authors & Illustrators on the Web <http://www.acs.ucalgary.ca/%7Edkbrown/authors.html>

From the Children's Literature Web Guide. The websites listed here include authors' personal websites and websites maintained by fans, scholars, and readers.

Guy's Read <http://www.guysread.com/>

The mission of **Guy's Read** is to motivate boys to read by connecting them with materials they will want to read, in ways they like to read. Includes guy's picks for young guys, middle guys, and older guys.

Kidsreads.com www.Kidsreads.com

Kidsreads is the best place on the web for kids to find info about their favorite books, series and authors. Reviews of the newest titles, interviews with the coolest authors and special features on great books are their specialties. And for even more reading fun they have trivia games, word scrambles and awesome contests!

MidLink Magazine <http://www.ncsu.edu/midlink/>

MidLink Magazine's Mission: To highlight exemplary work from the most creative classrooms around the globe.

Reading Rants <http://tln.lib.mi.us/~amutch/jen/index.html>

Reading Rants is a group of booklists for those of teens out there who need a good read, but are wondering if there's life after Judy Blume and Brian Jacques..

Study Buddy <http://homework-help.aol.com/language?subject=english&gr=9-12&title=Language%20Arts/>

Get English homework help and tips to make writing papers a breeze. Whether you're trying to think of paper topics or struggling to write the perfect paragraph, these homework resources will provide all the help you need.

TeenInk <http://teenink.com/>

TeenInk is a national teen magazine, book and website featuring teen writing, information, art, photos, poetry, teen issues and more. All articles are written by teen authors who are students at schools.

TeenLit.com <http://www.teenlit.com/>

TeenLit.com is a private not-for-profit web site currently funded and administered by two secondary teachers in Southeast Michigan. It's sole purpose of is to promote Teen Literacy by providing a forum for teen writers to publish and discuss their writing, review and discuss books they read, and to provide a resource for their teachers.

Teenreads.com <http://www.teenreads.com/>

Teenreads.com bring teens info and features about their favorite authors, books, series and characters. It is THE place online for teens to talk about their fave books—and find the hippest new titles!

Word Central <http://www.wordcentral.com>

Merriam-Webster's Word Central offers kids a student dictionary, Daily Buzzword, and interactive word games. Includes homework help
